## DESCRIPTIVE NOTE TO “FAST VESSELS” FORM

A seafarer who embarks on fast vessels (hydrofoils and/or catamarans) can, upon request, enroll in Fanimar for some or all of the insurance covers, as per the attached form. The subscription is purely voluntary and can take advantage of the contribution granted by the shipowner. As stipulated by contractual norms, even when personally paying for a total annual coverage, it should be noted that:

- **ACCIDENTS:** A seafarer on a special shift, even if embarked for the entire year, will be indemnified only if the accident occurs on board or during the off-duty period, while no indemnity will be recognized in case of an accident during the use of vacation and/or compensatory rest periods.

A seafarer in CRL, on the other hand, will always be indemnified in case of an accident.

- **LIFE:** In this case, regardless of the contractual position of the seafarer, even if embarked for the entire year, the indemnity will be recognized only if the death occurs on board or during the off-duty period, and not during the use of vacation and/or compensatory rest periods.

The above is always within the limits of the general and/or particular conditions of the insurance policies.
