
NAVIGATION BOOK WITHDRAWAL (Crew and Commanders and Chief Engineers of Minor Navigation)

(indirect benefit)

Covers:

Permanent withdrawal of the navigation book following an accident and/or illness occurring on board or as a result of an illness arising within:

- For C.R.L./R.O. shifts:
Compensation for navigation book withdrawal may be requested both if the accident/illness occurs on board and if it occurs during off-duty periods on land accrued on board.
- For T.P/T.G. shifts:
 - Compensation for navigation book withdrawal may be requested following accidents occurring on board or during franchise periods that resulted in the seafarer's disembarkation.
 - Or following illnesses manifested on board or during franchise periods or within the limit of the 28th day included from the date of disembarkation.

The compensations provided since 01.01.08 are as follows:

- Up to 40 years not completed €31,000.00
- From 40 to 45 years not completed €21,000.00
- From 45 to 50 years not completed €16,000.00
- From 50 to 55 years not completed €8,500.00
- From 55 to 60 years not completed €6,000.00
- From 60 to 65 years not completed €3,000.00

Exclusions from Navigation Book Withdrawal Compensation

- Alcoholism, AIDS, mental illnesses
- Non-paying Shipowner
- Seafarer in T.P./T.G. with illness occurring after the 28th
- Unsuitability sanctioned only by the central commission and not by the 1st-degree commission
- Seafarer in T.P./T.G. whose illness, the cause of unsuitability, is different from that indicated on the illness notice
- Prescribed practice (15-day deadline. Accepted within the year)
- Age of the seafarer, at the onset of the illness > 65 years

WITHDRAWAL OR SUSPENSION OF PROFESSIONAL TITLE (Crew and Commanders and Chief Engineers of Minor Navigation)

(indirect benefit)

- Maximum professional title withdrawal €25,900.00 (maximum amount payable outright)
- Maximum professional title suspension €25,900.00 (maximum amount payable not cumulative with the previous one except for any difference)
(compensation equal to the average monthly emoluments received on board for the duration of the professional title suspension)
- Maximum legal protection €10,400.00

Documents required in case of appeal to the 2nd-degree Medical Commission:

- Full copy of the Navigation Book withdrawal report by the 1st Commission (including any annotations) relating to the above-mentioned seafarer along with the results of any previous visits
- 2nd-degree Medical Commission report
- Document attesting to the date and reason for the seafarer's illness/injury initiation after the last disembarkation
- Declaration (accompanied by a copy of the supporting document) from the Shipowning Company attesting to the type of contract (R.O./C.R.L./T.P./T.G.) existing on the date of the incident in question between the company itself and the aforementioned seafarer
- Copy of the Final Cancellation Decree from the Seafarer Rolls

In case of request for the establishment of the Arbitration Board:

- Full copy of the Navigation Book withdrawal report by the 1st Commission (including any annotations) relating to the above-mentioned seafarer along with the results of any previous visits.
- Completion of FAX SIMILAR ARBITRATION REQUEST FORM.
- Document attesting to the date and reason for the seafarer's illness/injury initiation after the last disembarkation.
- Declaration (accompanied by a copy of the supporting document) from the Shipowning Company attesting to the type of contract (R.O./C.R.L./T.P./T.G.) existing on the date of the incident in question between the company itself and the aforementioned seafarer;
- Copy of the Final Cancellation Decree from the Seafarer Rolls;

The Fund may request additional documentation if necessary.

N.B: For all matters not covered above, the General and Special Policy Conditions will, as always, apply.
